

## About the Institution

VEL TECH has been consistent in maintaining excellence in the Academic Standards, Research, Reputation, Recognition and Professionalism since its inception with the vision to provide the right environment for technology transformation to the young minds by the founder couple Col.Prof.Dr.R.Rangarajan and Dr.Mrs.Sakunthala Rangarajan. With an optimal blend of theory and practice, motive and desire, it offers 4 courses in Engineering leading to the award of B.E of Anna University, Chennai. The institute is supported by eminent industry experts, corporate, scientists, academicians and management consultants for training and recruiting fresh and young talents nurtured in the institution.

## DST-NSTEDB and EDII

The National Science & Technology Entrepreneurship Development Board (NSTEDB), established in 1982 by the Government of India under the aegis of Department of Science & Technology, is an institutional mechanism to help promote knowledge driven and technology intensive enterprises. The aim is to convert "job-seekers" into "job-generators" through Science & Technology(S&T)interventions. Entrepreneurship Development Institute of India (EDII), Ahmedabad is an autonomous body under the Govt. of India.

## About the Programme

Entrepreneurship Awareness Camp aims at creating awareness among students about various facets of Entrepreneurship while highlighting the merits of pursuing such a career option. It helps the entrepreneurs to enhance their organizing and managerial abilities so that they can run their enterprise efficiently and successfully. In this camp, students are exposed to different aspects of Entrepreneurship including opportunity guidance, services offered by agencies of support system etc.

## Objective of the Camp

The Objective of the camp is to bring together the experts from industries, government agencies working in the field of Entrepreneurship and students of Science & Technology in order to provide a forum for the free and fruitful exchange of ideas and information for becoming an Entrepreneur. It will also explore the possible business opportunities and create all necessary awareness to start an SSI Unit as per government procedures.
